# JEPNIK SAFETY PRODUCTS

Jepnik Investments (Private) is a premier supplier of essential safety products for civil and construction projects. Our strategic business unit, Jepnik Safety and Protective Products Supplies (JSP), focuses on delivering a wide range of high-quality road signs, safety accessories, and personal protective equipment (PPE). We ensure that every project, regardless of size, is equipped with the necessary products to maintain a safe and compliant work environment.

Our commitment to safety is evident in our comprehensive procurement services, which are characterized by high quality standards and timely delivery. We provide world-class products that are reliable and effective, helping both public and private organizations achieve their safety goals.

## OUR MISSION

Our mission is to be the first-choice supplier of road construction safety materials and PPE, providing a stable employment environment for our people, and exercise a reasonable balance between risk, integrity, and profitability.

## OUR VISION

Guided by God-fearing principles, we will be the first-choice supplier of road construction safety materials and PPE in Zimbabwe & the Region. By the year 2030, we will have established a vibrant branch network in every town across the country.
